RESEARCH PROJECTS

Postdoctoral Researcher: Efficacy of Motivational Enhancement Therapy for Treatment of Pediatric Obesity

Gainesville, Florida

August 2010-Present

- Completed motivational enhancement therapy training course
- Submitted IRB revisions and continuing review for study
- Coordinated logistical procedures regarding participant recruitment
- Participated in lab meetings
- Provided clinical treatment for participants of study

Graduate Student Researcher: National Institute of Mental Health Grant-Kids Cope Project

Baton Rouge, Louisiana

Fall 2005-Present

- Multiple wave study examining coping and PTSD symptoms in children and their mothers who were affected by hurricane Katrina

- Participated in initial planning and implementation of project
- Organized and corresponded with schools in Baton Rouge and New Orleans to conduct data collection and project implementation
- Collected data at schools in Baton Rouge and New Orleans from teachers and students
- Conducted SPSS analysis
- Participated in lab meetings
- Participated in poster presentations regarding findings

Research Assistant: Shands Hospital Division of Child and Adolescent Psychiatry

Gainesville, Florida

April 2003-May 2005

- Organized data collection
- Collaborated with medical personnel at children's medical clinics
- Administered questionnaires to test subjects
- Conducted SPSS analysis
- Participated in data analysis and lab discussions
- Developed writing skills through first-author publication and several co-authored publications

Research Projects:

Tourette's and OCD Peer Relationships and Daily Living Difficulties Study Fall 2004

- Presented study to patients
- Administered patient and clinician rated questionnaires to children and parents

Lipid Clinic Obesity & Peer Relationships Study Spring 2004

- Presented study to patients
- Administered patient and clinician rated questionnaires to children and parents

Diabetes & Endocrine Disorders Peer Relationships and Parental Stress Study
Spring 2003-Summer 2004

- Presented study to patients
- Administered patient and clinician rated questionnaires to children and parents
- Trained research assistants for presentation to patients, administering, and debriefing

Peer Victimization in College Undergraduates Study Spring 2003- Summer 2003

- Aided in administration of questionnaires to students
- Entered data into SPSS and aided in data cleaning

SENIOR THESIS

Summer 2004-Spring 2005

- *Peer Victimization in Children with Learning Disabilities: an archival review of patient assessment files at Shands Division of Child and Adolescent Psychiatry*

MASTERS THESIS

- *The Effects of Community Violence Exposure on Children Affected by Hurricane Katrina*: study conducted as part of National Institute of Mental Health Grant

September 2005-May 2008

DISSERTATION

- *Academic Achievement in Children Exposed to Hurricane Katrina*: study conducted as part of National Institute of Mental Health Grant

September 2005-October 2010

SCHOLARSHIPS & AWARDS

- Psychology Doctoral Assistantship and Tuition Waiver, Louisiana State University-\$15,000
- Graduate Supplemental Assistantship, Louisiana State University-\$3,000 per year
