June 2000 to December 2007

Responsible for teaching undergraduate courses as assigned. Courses included Stress Management, Health Psychology, and Behavior Modification.

Children's Psychology Associates of the Miami Children's Hospital, Dan Marino Center
Weston, Florida

Psychologist

December 2000 to September 2001

Activities included psychotherapy and assisting with program development.

Institute for Bio-Behavioral Therapy and Research

Great Neck, New York

Clinical Director 1998 to July 2000

Associate Clinical Director/Staff Psychologist/Postdoctoral experience 1988-1998.

Provided psychotherapy and supervised psychological assessments for varied population. Services provided for children, adolescents, adults and families. Participated on research team focusing on neurobiological disorders. Consulted in diverse settings as well as coordinated outpatient and inpatient services. Supervised doctoral level interns and other professional staff. Presented numerous lectures and workshops. Performed various administrative duties.

Brunswick Hospital Center

Amityville, New York

Staff Psychologist/Assistant Coordinator Adolescent Program

November 1986 to February 1990

Provided individual, family, and group psychotherapy for psychiatric, chemical dependency and adolescent services. Conducted psychological assessments and neuropsychological screenings. Duties on adolescent unit included program development. Community and in-service presentations were made. Received extensive postdoctoral clinical supervision in first year of service. An outpatient psychotherapy practice was also maintained.

New York City Police Department

Rego Park, New York

Staff Psychologist

June 1985 to November 1986

Staff level and postdoctoral experiences included psychological assessments, counseling/stress management, employee selection, trauma debriefing, fitness for duty evaluations, and emergency on call. Had supervisory duties in regard to other psychologists, social workers and alcohol counselors. Provided short-term psychotherapy and necessary referrals.

St. John's University

Jamaica, New York

Adjunct Assistant Professor

September 1985 to May 1986

Taught two undergraduate psychology courses.

Plainview-Old Bethpage School District

Plainview, New York

Post- Doctoral Trainee and School Psychologist

December 1984 to June 1985

September 1984 to December 1984 part-time

Responsibilities in school setting included psychological assessments, designing behavior programs, crisis intervention, family meetings, counseling, and presentations to the Special Education Committee. Experience applied toward NYS licensure.

Epilepsy Foundation of Nassau County

Garden City, New York

Applied Behavioral Science Specialist

June 1983 to January 1985

Responsibilities of part-time position included psychological assessments, developing behavioral treatment plans, crisis intervention and in-service training.

Private Vocational Consulting Practice

New York City, New York

Psychology Assistant

September 1978 to June 1983

Responsibilities included assisting consulting psychologist in psychometrics.
(Supervisor: Max Kaufman, Ph.D., ABPP)

INTERNSHIP AND PRACTICUM EXPERIENCE

Nassau County Department of Drug and Alcohol Addiction.

East Meadow, N.Y.

Clinical Psychology Intern

July 1982 to September 1983

Supervisor: C. Thomas Capone, Ph.D.

Responsibilities included individual psychotherapy, psychological assessments, inter-disciplinary team membership, crisis intervention and research.

Psychological Evaluation and Research Center, Hofstra University

Hempstead, N.Y.

Intern

January 1982 to August 1984

Responsibilities included individual, marital and family therapy as well as play therapy, learning disability remediation and psychological evaluations.

Port Washington School District

Port Washington, N.Y.

School Psychology Intern.

September 1981 to June 1982

Supervisor: Richard Crisci, Ph.D.

Responsibilities included psychological assessments, individual counseling and parent conferences.
